Sedona Sunrise Center Celebrates Second Anniversary

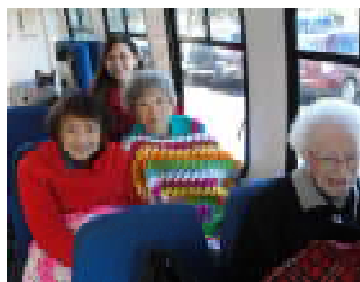

November 30 marks the second anniversary of the first and only adult day center in the Verde Valley north of Prescott. SSCA, as we are referred to, has served over 50 older and disabled adults and their families over that two year period. Under direction of a dedicated Board of Directors, SSCA has grown from two participants and a staff of three to 12 participants, and a staff of 7, with over 20 generous volunteers.

SSCA's first participants, Mae Ridout and Doris Montgomery, 97 and 90, still regularly attend our program.

Experienced Registered Nurses monitor the physical health of participants. Thanks to Sedona Community Foundation in collaboration with the Verde Valley Medical Center, SSCA was awarded a grant to offset the nurse's salary and purchase medical supplies.

Early this year SSCA began its transportation program to aid participants who wanted to attend, but had no way to get to and from the Center. Also utilizing the SSCA van, field trips for participants became a routine program at the center, expanding on the many activities participants are offered for cognitive and social stimulation. SSCA greatly appreciates the generosity of the City of Sedona for awarding the Community Building Grant which helps fund the center field trips. Participants eagerly look forward to these outings that foster

Riding the van

a sense of belonging.

Field trip in Oak Creek Canyon

With the increasing number of participants and growth of the transportation program, SSCA realized the need for a new van. The dream for this new wheel chair lift van became reality with the awarding of the ADOT/NACOG grant. SSCA must raise \$7590 as a stipulation of the grant, but having a dependable vehicle is priceless.

Always, the focus of SSCA is enriching the lives of the seniors and disabled adults we care for while giving respite and support to their caregivers. It is the desire of SSCA to continue growing and serving many more families in Sedona and the Verde Valley, and we are grateful for this opportunity.

WITH APPRECIATION. The following people and organizations have generously donated funds, their time, and items to Sedona Sunrise Center for Adults. These donations have made it possible for us to provide adult day services to our participants and their families. Thank you!

CHECK IT OUT

PROCLAMATION

Sedona Mayor Rob Adams presented this proclamation recognizing National Family Caregivers Month, to Joy Kauer RN, our Executive Director, at the Nov. 9th City Council meeting. The responsibility of 24/7 family caregiving is a tremendous job, and millions of people across our country give of their time and energy to care for a family member. Our families at the Sunrise Center deserve recognition for a job well done.

DONATIONS NEEDED!!

The Sedona Sunrise Center for Adults continues to rely on your contributions to help care and provide services for our elders and disabled adults. We need your donations to raise \$7590 to match the \$63,000 wheel chair lift van awarded to us by ADOT and NACOG. We appreciate any amount you can send our way:

THANK YOU!

to all who participated in and donated to the third annual Sunrise Center Golf Tournament in September. Nearly 150 individuals and businesses donated silent auction and raffle prizes. Golfers had a great time, and attendees enjoyed a delicious luncheon. Proceeds went directly into helping the Center.

THANK YOU!
